

An insight into the work of UNiViDA
Issue 34: Oct 2015 Special Campaign

TAPS AND TOILETS

This space is a dream come true for families from the slums to meet together. Building it was one of the biggest projects we have ever undertaken and it's so close to being completed. All that's needed is £5,000 to complete the bathrooms.

WE ARE LAUNCHING AN APPEAL TO RAISE THIS MONEY BY CHRISTMAS. Can you help?

The first £500 has already been donated, Please consider making a special donation to help get this project wrapped up and our community facility complete. The money will be used to by sinks, toilets, cubicle doors, etc... All of the plumbing, electrics etc.. are already complete., we are nearly there!

THANK YOU
